Aumni Group Inc. Content Needed

Immediate — Required for Launch

Home Page:

- Company Logo
- Home Page Hero Banner tagline and sub-tagline
- Company overview
- Provided services for Services section *(preferably four)*
- Brief introduction to the Investment side of things for the "Interested In Investment Box"

Properties Page:

- Description of apartment; number of guests it can accommodate, number of bedrooms, bathrooms, square footage, etc.
- Check over values and choices in Estimated Cost & ROI calculator

Invest Page:

- Investment Process steps
- Check form values

About Page:

- About Page banner image *(group of people perhaps)*
- Professional image of you
- Our (Team/Business) / My Story paragraph

Contact Page:

- Contact Us banner image (close-up of a phone, a desk, a view, another apartment photo different from those already taken, anything that gives the message of "Contact Us")
- Check form

Footer:

- Terms of Service and Privacy Policy

Short Term (important for a polished site, but can technically come slightly after launch):

Home Page:

- Video demo of website *(ideally)*

Properties Page:

- Walkthrough video tour of the apartment *(ideally)*

About Page:

- Core, "Why" Video: expands on the stated missions and values *(ideally)*
- Quote *(optional)*

FAQs:

- FAQs (will be filled over time the more common questions come up. (Got a few))

Medium Term (add as business develops):

Invest Page:

- Actual statistics related to business investment *(When data exists)*
- Where the Capital Goes: Commercial Space Rental Model goal and target returns. Vacation Space Rental Model goal and target returns *(When sufficiently defined)*
- Entire Asset Case Study section: brief investment-specific description of apartment and bullet point facts *(Can expand over time)*
- Investment Proposal Deck PDF *(When actively needed)*

Long Term (Business-Growth Material):

Invest Page:

- Next target apartment: image, opportunity, strategy, and goal *(When pursuing it)*
- Create full prospectus for Investors to look at *(When business/investment stage warrants it)*

Ongoing (content that should evolve with the business):

- Expand/update the FAQ as actual customers ask questions
- Actual statistics related to business investment *(As business develops)*
- Entire Asset Case Study section *(As properties/projects accumulate)*

- Apartments
- Next target apartment
- Video content
